

NEW MEMBER FOR RAEC IN RUSSIA

IMELCO

PRESS RELEASE

BRUSSELS, JULY 30TH

There has been another positive development at IMELCO's Russian member, RAEC.

The consortium was able to gain its 17th member as of **July 1st, 2018**.

The company called **Electron** was founded in Nizhniy Novgorod in 1995 and is being considered as one of the most reliable and leading wholesalers in the area.

In its **23 years of existence**, Electron opened 14 points of sale and became an official distributor of large supplier brands such as Philips, Schneider Electric and Legrand.

Their warehouse stock contains more than 10 000 items, which makes it possible to work with orders of any complexity.

Please forward this information to everyone it may concern.
